

Woods Pond Association

September 2026

Preserving Our Pond

Another great summer on the pond!

Our water is still crystal clear thanks to the close attention paid by our Courtesy Boat Inspectors. Our sincere thanks to the following volunteers:

- Julie Linehan
- Kevin Kelley
- Shelley Hall
- Richard Hall
- Susie Albert
- Andy Pond
- Dan Lasman
- Ann Lasman
- Margot Kingston
- Janice Garrity
- Jennifer Rigney
- Peter Ryan
- Tom Wezowicz
- Gary Schuyler

Your name here next year?!

Thank you, Courtesy Boat Inspectors!
Their time and care help keep Woods Pond clear, healthy, and welcoming for everyone.

WPA Support

We have a lot to celebrate! So far this year, 51 individuals and families have stepped forward to join and support the Woods Pond Association, contributing \$14,156 toward protecting the pond we all love. And this growing annual support is coming from all around our pond! Woods Pond Drive currently leads the way in giving, with quite a few other roads hot on their heels.

Every gift - large or small - helps fund the work that protects our water quality, prevents invasive species, safeguards our shoreline, builds an emergency reserve, and preserves Woods Pond for future generations. To our 51 donors, thank you! And if you haven't yet joined your neighbors in supporting the Association this year, there's still plenty of time to add your name - and your road - to this growing community effort. It takes ALL of us to keep this little slice of paradise pristine.

Street	Donations YTD 2026
